ABOUT THE MIRACLE LEAGUE

The Miracle League of Milwaukee gives kids ages 4 – 19, who have physical or cognitive challenges, the opportunity to get outside and play the game of baseball!

The Miracle League of Milwaukee and the Y have partnered to provide the Milwaukee-area with its first universally-accessible baseball field.

The Miracle League Complex is located at the John C. Cudahy YMCA on Milwaukee's northwest side. The complex - set to be fully completed in 2012 - will include dugouts, restrooms, a concession stand, and a playground—all handicap-accessible.

Miracle League baseball is played on a special rubberized field that is custom-designed for safety and accessibility. Through the Miracle League, the fun of this team sport is brought to every child who wants to play.
